Art. 17.8 of the FIFA Clearing House Regulations – *Second Failure of the Compliance Assessment*

I. FACTS OF THE CASE

1. The following summary of the facts does not purport to include every single contention put forth by the actors at these proceedings. However, the presiding member of the FIFA Disciplinary Committee (the **Committee**) has thoroughly considered any and all evidence and arguments submitted, even if no specific or detailed reference has been made to those arguments in the following outline of its position and in the ensuing discussion on the merits.
2. This case concerns the application of the FIFA Clearing House Regulations (**FCHR**) and the disciplinary proceedings described therein as well as the FIFA Disciplinary Code (**FDC**) in relation a second failure of the compliance assessment by FK Novi Pazar (the **Respondent**).
3. It is to be noted that the Respondent had already incurred in a first failure of the compliance assessment with the FIFA Clearing House SAS (**FCH**), which let the case to be referred to the FIFA Disciplinary Committee as described in the matter FDD-21177 & FDD-21273 & FDD-22541. Contextually, the Respondent was sanctioned for said failure (the **First Disciplinary Decision**).
4. For the sake of completeness, the following transactions are relevant in the context of the First Disciplinary Decision (the **First Transactions**), in that they were the ones that gave rise to the obligation of the Respondent to successfully complete a compliance assessment in line with art. 15 FCHR:

6. The First Transactions and the Subsequent Transactions are hereinafter referred to as the "**Transactions**". As noted above, the role of the Respondent in the Transactions is both new and training club.
 7. However, on 02 October 2025, the FCH sent a notification to the Respondent, in which the latter was informed about another failure of the compliance assessment on the basis of art. 15 FCHR. As a result, the Respondent was advised that the case would be escalated to the FIFA general secretariat in line with art. 16(1)(d) FCHR and that it might be subject to disciplinary proceedings in accordance with article 17 of the FCHR.
 8. Subsequently, on 20 May 2026, the FIFA general secretariat formally notified the Respondent that it failed its compliance assessment, thereby constituting a breach of article 16 FCHR. As a result, the case was referred to the Disciplinary Committee. The Respondent was further warned that any previous compliance failures may aggravate the situation and lead to consideration of repeat violations, while emphasizing that all future communications and potential sanctions will be handled through the FIFA Legal Portal.

9. Based on the above and in accordance with art. 55 FDC as read together with art. 17.8 FCHR, the Secretariat to the FIFA Disciplinary Committee (the **Secretariat**) opened disciplinary proceedings against the Respondent on 22 May 2026 for the breach of the cited provisions of the FCHR in relation to the Respondent's Second Failure of the Compliance Assessment. Accordingly, the Respondent was not only granted a deadline of three days to provide the Secretariat with its position but also informed that the matter would be subsequently submitted to the Committee for consideration upon expiry of the same.
10. No reply was filed by the Respondent within the deadline granted.
11. On 27 May 2026, the Committee decided on the matter. The decision was notified to the Respondent with grounds on the same date.

II. CONSIDERATIONS OF THE DISCIPLINARY COMMITTEE

12. In view of the circumstances of the present matter, the Committee decided to first address the procedural aspects, namely, its jurisdiction and the applicable law, before entering into the substance of the matter and assessing the possible breaches of the FCHR and/or FDC by the Respondent as well as the potential sanctions, if applicable, resulting therefrom.

a. Jurisdiction and applicable law

13. First of all, the Committee noted that at no point during the present proceedings did the Respondent challenge its jurisdiction or the applicability of the FDC. At the same time, the Committee confirmed the matter can be adjudicated by a single judge in line with art. 57(1) FDC.
14. Notwithstanding the above and for the sake of good order, the Committee found it worthwhile to emphasise that, in view of the issue at stake and on the basis of art. 56 FDC as read together with art. 16.1. d) and 17.8 FCHR, it is competent to evaluate the present case and to impose sanctions in case of corresponding violations. The above also stems from art. 23(4) FDC, which states that breaches of the FCHR are sanctioned in accordance with those regulations and the FDC. The Committee equally noted that it can assess the Respondent's failure of the compliance assessment as a first failure in respect of the Subsequent Transactions, which did not form part of the case file for the First Disciplinary Decision as they had not yet happened.
15. In order to duly assess the matter, the Committee noted that the present case related to a potential violation of the FCHR. In this regard, the Committee deemed it relevant to recall that in accordance with art. 1.3 FCHR read in conjunction with art. 3.1 FCHR, the FCH is a separate entity from FIFA and was established to act as an intermediary in payments deriving from the football transfer system, especially for the payment of training rewards that fall due pursuant to the Regulation on the Status and Transfer of Players (**RSTP**) and performs all required compliance assessments in their execution.
16. In particular, the "Compliance Assessment" is defined under the FCHR as "*procedure required to be performed by the [FCH] prior to accepting any potential client in order to satisfy financial regulatory requirements*". By the same token, the FCHR defines "Second Failure of the Compliance Assessment" as the "*failure by a Non-Compliant Party to pass the Compliance Assessment within the established process and deadline following the First Failure of the Compliance Assessment*".
17. In other words, the FCH assesses the parties involved in the financial transactions with it in order to ensure that they comply with both the national and international laws in relation to, without limitation,

international payment sanctions, money laundering, anti-bribery/corruption and countering the financing of terrorism. Such procedure is governed by art. 15.6 FCHR, which provides *inter alia* that “[a]fter receipt and analysis of the information requested from a party to carry out the Compliance Assessment, the [FCH] will make a first assessment and determination on whether a party passes or fails the Compliance Assessment” and that “any determination of the [FCH] in relation to a Compliance Assessment shall be final and binding and shall not be subject to any appeal”.

18. Finally, the Committee noted that consequences of a “Compliance Assessment” failure are laid down in art. 16 FCHR, which states in its first paragraph “[w]here a party is subject to a First Failure of the Compliance Assessment (...) d) the Non-Compliant Party shall be subject to disciplinary proceedings in accordance with article 17”. By the same token, lit. c) of this same provision states that “the respective Compliance Assessment shall continue, and the Non-Compliant Party shall remain obliged to pass the Compliance Assessment. The Non-Compliant Party may reinitiate the Compliance Assessment at any time through the Client Portal”.
19. The Committee equally noted that per art. 16.2 FCHR, a party subject to the Second Failure of the Compliance Assessment also triggers the consequences set forth by art. 16.1 (d) FCHR.
20. As a final note, the Committee underlined that in accordance with art. 17.9 FCHR, for all other violations of the FCHR and/or for repeated violations of the provisions identified in paragraphs 17.3 to 17.8 FCHR, the Committee may determine the sanction at its discretion.
21. In sum, the Committee understood that in view of the above provisions, it is not able to review or modify any aspect regarding the Respondent’s Second Failure of the Compliance Assessment made by the FCH but has as sole task to apply the sanctions provided for in art. 17 FCHR, in particular those outlined under art. 17.7 and 8 FCHR given the Respondent’s status as both new club and training club in the Transactions.

b. Merits of the case

22. Having clarified the above, the Committee observed that according to the information and evidence at its disposal, the Respondent had to pay and was entitled to receive Training Rewards due in connection with the Transactions described in these proceedings, yet it failed to successfully complete the compliance assessment per art. 15 FCHR – something which stood uncontested in these proceedings.
23. This means that because of this failure, the process outlined by the FCHR cannot be completed and the training clubs could not receive the Training Rewards which they are entitled to for investing in the training and education of the relevant players as cited in these proceedings. At the same time, the Respondent could also not receive the training rewards it is entitled to on account of its failure.
24. Therefore, since the violations of the FCHR by the Respondent had been established by the FCH and the Committee is precluded from reviewing the outcome of the compliance assessment carried out by the FCH, the Committee confirmed the Respondent has breached art. 15 FCHR and subsequently turned its attention to art. 17 FCHR and the relevant sanction(s) to be imposed for infringing said provision.

c. Determination of the sanction

25. With regard to the applicable sanctions, the Committee observed in the first place that the Respondent is a legal person, and as such was subject to the sanctions described under art. 6.1 and 6.3 FDC.
26. Notwithstanding the above, the Committee observed that the FCHR provides for specific consequences and sanctions depending on whether the club or member association incurs a First Failure of the Compliance Assessment or a Second Failure of the Compliance Assessment. In particular, art. 17.7 and 8 FCHR read as follows:

"17.7 The sanction for a club or Member Association that is subject to a First Failure of the Compliance Assessment shall be:

a) for a new club:

i. a reprimand; and/or

ii. a levy of 2.5% of the calculated training rewards due, payable to the training club(s) through the FIFA Clearing House instead of interest for late payment; and/or

iii. a fine.

b) for a training club or Member Association:

i. a reprimand; and/or

ii. a fine.

17.8 The sanction for a club or Member Association that is subject to a Second Failure of the Compliance Assessment shall be:

a) for a new club:

i. a fine; and

ii. a ban on registering any new players, either nationally or internationally. For the avoidance of doubt, the Compliance Assessment shall continue until the FIFA Clearing House determines that it has been successfully passed. The registration ban shall be lifted only after the FIFA Clearing House confirms that the club has passed a subsequent Compliance Assessment.

b) for a training club or Member Association:

i. forfeiture of the training reward due to that party for the specific transaction. The Allocation Statement will be amended to direct the new club to pay the forfeited training rewards to the Member Association of the club through the FIFA Clearing House, to be used by the Member Association for development of football at national level; and

ii. any further sanction deemed proportionate, taking into account that the party has already forfeited its right to receive the relevant training reward."

27. The Committee noted in this respect that both sanctions (i.e. fine and registration ban) in respect of a Second Failure of the Compliance Assessment are cumulative per the clear text of the FCHR, and that the registration ban shall only be lifted once the Respondent has successfully passed the Compliance Assessment as determined by the FCH.
28. For the sake of good order, the Committee underlined that it is responsible to determine the type and extent of the disciplinary measures to be imposed in accordance with the objective and subjective elements of the offence, taking into account both aggravating and mitigating circumstances (art. 25.1 FDC). To that effect, the Committee noted that while the case at hand deals with the consequences of the second failure of the compliance assessment, this can only concern the First Transactions, as the Subsequent Transactions had not yet happened and therefore were not subject to the Respondent's first failure of the compliance assessment and the First Disciplinary Decision.
29. As it was established above, the Respondent was found responsible by the FCH of having infringed art. 15 FCHR, which aim at ensuring that the relevant parties comply with both the national and the international laws in relation to, without limitation, international payment sanctions, money laundering, anti-bribery/corruption and countering the financing of terrorism.

As to the Subsequent Transactions (First Failure of the Compliance Assessment)

30. In view of the foregoing, consistently with art. 17.7 FCHR in respect of the First Failure of the Compliance Assessment regarding the Subsequent Transactions in which the Respondent appears as new club, the Committee decided to sanction the Respondent with a levy of 2.5% of the calculated training rewards due to the training club(s) on each of the payment order(s) below:
1. Payment Order ID number 132569 for EUR 2512.34 corresponding to Solidarity contribution.
 2. Payment Order ID number 132570 for EUR 11.36 corresponding to Solidarity contribution.
 3. Payment Order ID number 132571 for EUR 1525.43 corresponding to Solidarity contribution.
 4. Payment Order ID number 132572 for EUR 885.72 corresponding to Solidarity contribution.
 5. Payment Order ID number 132573 for EUR 93.11 corresponding to Solidarity contribution.
31. The Committee recalled in this respect that said levy functions as a substitute for interest on late payment, as the Respondent's first failure of the compliance assessment prevents the training clubs from receiving their training rewards in a timely fashion. Accordingly, said levy must be paid to the FCH according to the latter's instructions.
32. As to the Subsequent Transactions in which the Respondent appears as training club, the Committee decided that a reprimand was also in order. The Committee underlined that a new failure of the compliance assessment could generate more severe sanctions, including forfeiture of the Training Rewards that the Respondent would be otherwise entitled to receive with respect of those Subsequent Transactions.

As to the First Transactions (Second Failure of the Compliance Assessment)

33. Furthermore, consistently with art. 17.8 FCHR in respect of the Second Failure of the Compliance Assessment with respect to the First Transactions, the Committee decided to impose the following sanctions on the Respondent:
- a. A fine of USD 3,000. In particular, the Committee considered the amount of the fine proportionate to the offence committed as well as to the amount at stake and recalled that art. 6.4 FDC establishes that in general fines shall not be less than USD 100 or more than USD 1,000,000.
 - b. A ban from registering new players, both nationally and internationally.
 - c. A forfeiture of the training rewards it would be otherwise entitled to receive in favour of the Football Association of Serbia, as follows:
 1. Payment order ID no. 118264 for EUR 819.03 corresponding to Solidarity contribution for the player IBRAHIM MUSTAPHA (Allocation statement 1613-02 and Electronic Player Passport 18390)
 2. Payment order ID no. 136370 for EUR 2793.1 corresponding to Solidarity contribution for the player Slobodan RUBEZIC (Allocation statement 3931-01 and Electronic Player Passport 27630)
34. With regards to the registration ban, it will be implemented automatically and immediately at national and international level by the Respondent's member association and FIFA respectively, without a further formal decision having to be taken nor any order to be issued by the FIFA Disciplinary Committee or its Secretariat. In this respect, the Committee reminded the Respondent's member association of its duty to implement this decision and provide FIFA with proof that the registration ban has been implemented at national level.
35. By the same token, the Committee confirmed in line with 17.8 FCHR that the registration ban shall remain in place until the Respondent has both (a) passed the compliance assessment as determined by the FCH and (b) paid the fine to FIFA. The Committee underlined in this respect that since under the said provision of the FCHR both sanctions are cumulative, it was necessary that they were effectively applied in order to produce the necessary deterrent effect, whilst serving as a reminder to the Respondent to undertake all appropriate measures in order to guarantee that the FIFA regulations are strictly complied with. The Committee deemed that it was empowered to do so considering the provisions of art. 6 paragraphs 3(a) and 6 FDC as well as art. 25.1 FDC combined with the discretion set forth under art. 17.9 FCHR in respect of repeated or persistent failure by the Respondent to comply.
36. With regards to the forfeiture of the training rewards, the cited Allocation Statement(s) will be amended by FIFA to direct the relevant engaging club to pay the forfeited training rewards to the Football Association of Serbia. Said payment will be processed through the FCH and must be used by the Football Association of Serbia for development of football at national level.
37. The Committee was satisfied that such sanctions would produce the necessary deterrent effect, whilst serving as a reminder to the Respondent to undertake all appropriate measures in order to guarantee that the FIFA regulations are strictly complied with.

8. **The cited Allocation Statement(s) will be amended by FIFA to direct the relevant engaging club to pay the forfeited training rewards to the Football Association of Serbia. Said payment will be processed through the FCH and must be used by the Football Association of Serbia for development of football at national level.**
